Work Experience

Internship Social media management

2022

PT. Telkom Witel Banten | Indonesia., Serang Banten

PT Telkom Witel Banten is a Telkom Office in Serang City which serves various customer needs related to telecommunication networks such as the delivery of Telkom indie home internet network, Speedy, cable tv network, and telephone network installation. In this company internship, I received the responsibility and duty to manage and design social media, especially Instagram, and the additional task of being a Podcas Crew was the presence of Mrs. FM Venusiana R. Director of Consumer Service.

Art Designer

2020 - 2021

Amigo Digital Creative | Indonesia., Bandung Jawa Barat

AMIGO Digital Creative is a full-service, data-driven digital marketing agency. Amigo helps great brands solidify their reputation in the minds of customers by creating great content and optimizing Amigo's digital marketing channels, and increasing digital marketing profits. And the tasks that I can include making requests from clients regarding digital marketing and digital brand orders that clients have. In one month the standard is to get 2 clients, even all of that can be more because the presentation that I gave was very satisfying.
