Creative Thinking

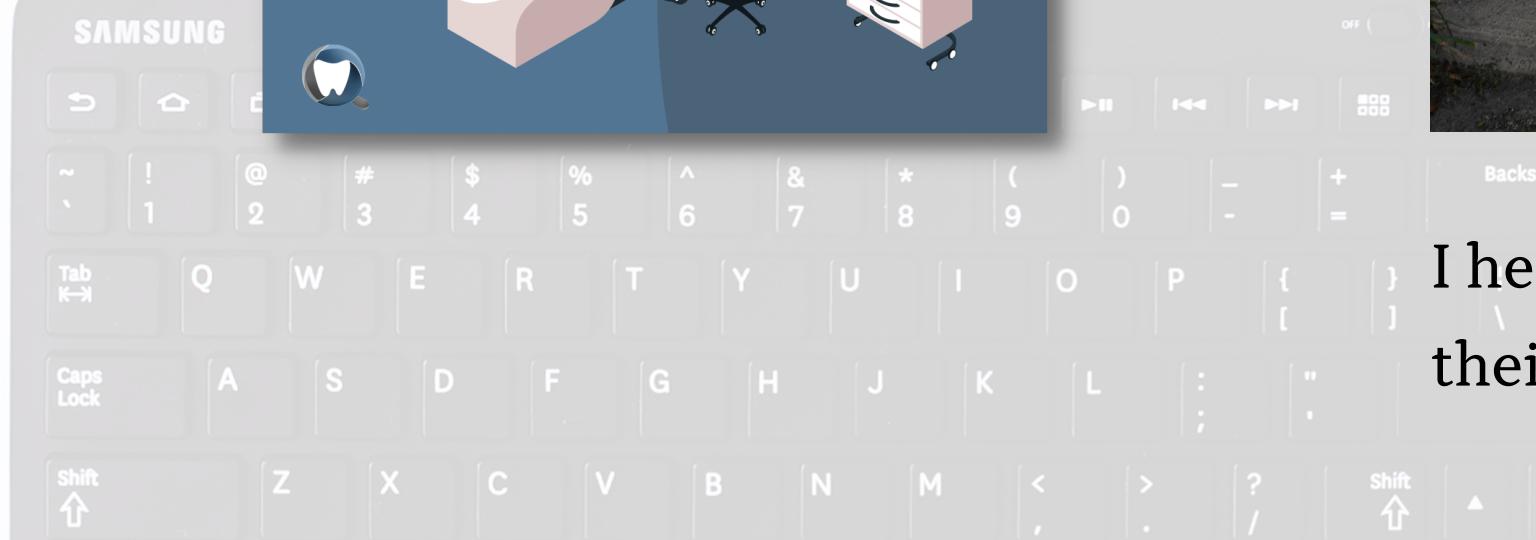

# Brand Identity

Digital Creative is a digital marketing based on analytical data with complete benchmarks. I analyze great brands to strengthen their reputation in the minds of customers by creating great content and optimizing their digital marketing channels, and increasing digital marketing profits.

# Work

05

I helped a new brand with the design of their online profiles.

### RICE BOWL SAMBAL MATAH

"Rice Bowl yang dihidangkan dengan chicken katsu dengan topping sambal matah yang gurih dan pedas khas D'rosemary"

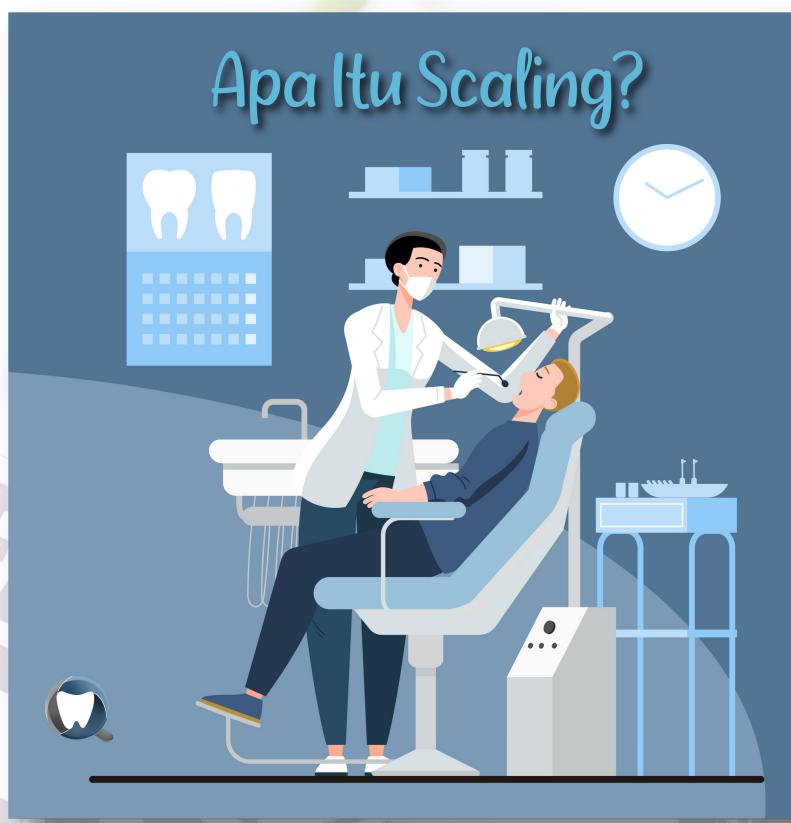

### NASI GORENG SAMBAL MATAH

"Nasi Goreng bumbu khas D'rosemary dihidangkan dengan tomat, timun, seledri, kerupuk, ayam suwir dan sambal matah"

# Creative Thinking

From the design that is in the town square of Serang, it is still very less than some of the squares in Indonesia, they are even used as city tourist destinations.

- Pergunakanlah WiFi Dengan bijak
- Jagalah kebersihan area sekitar

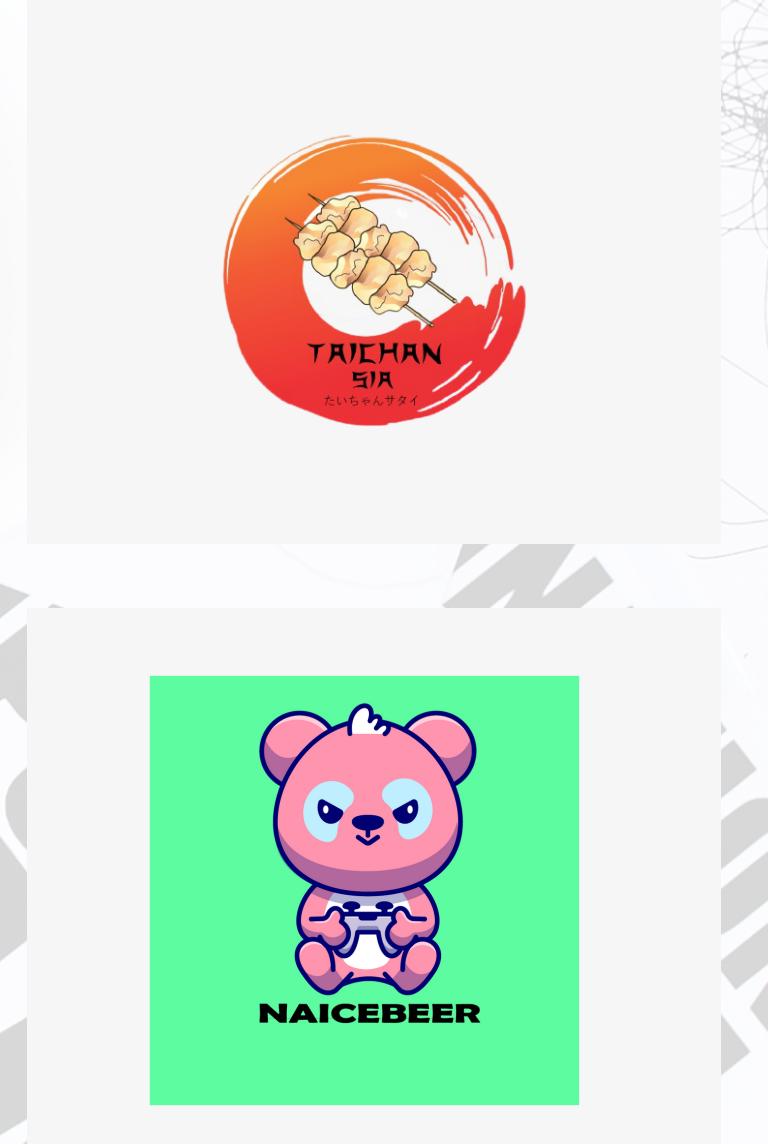

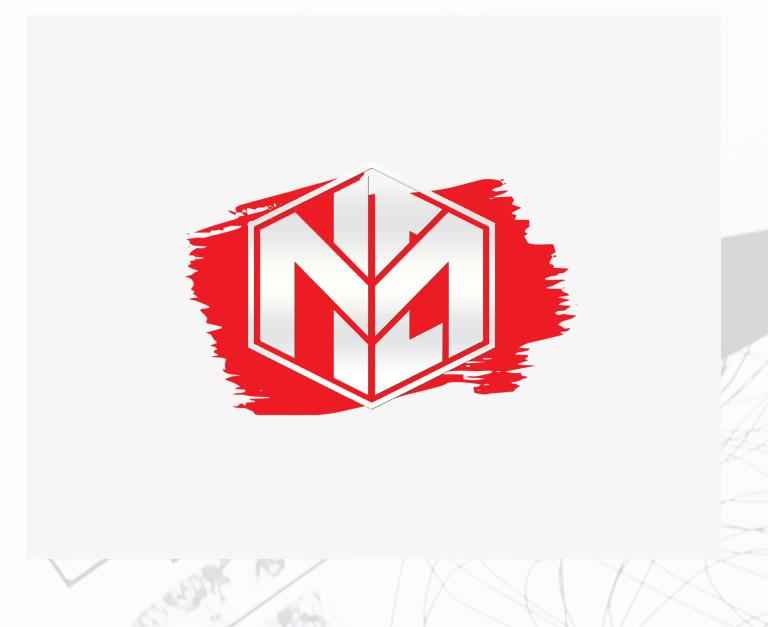

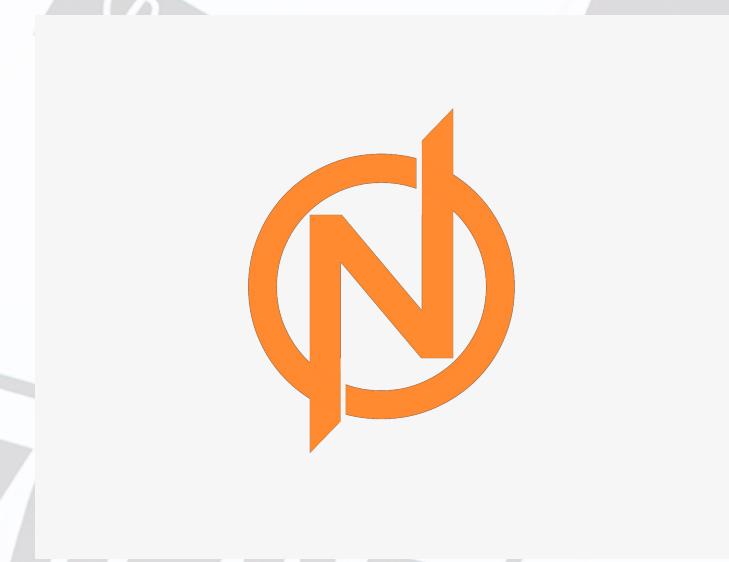

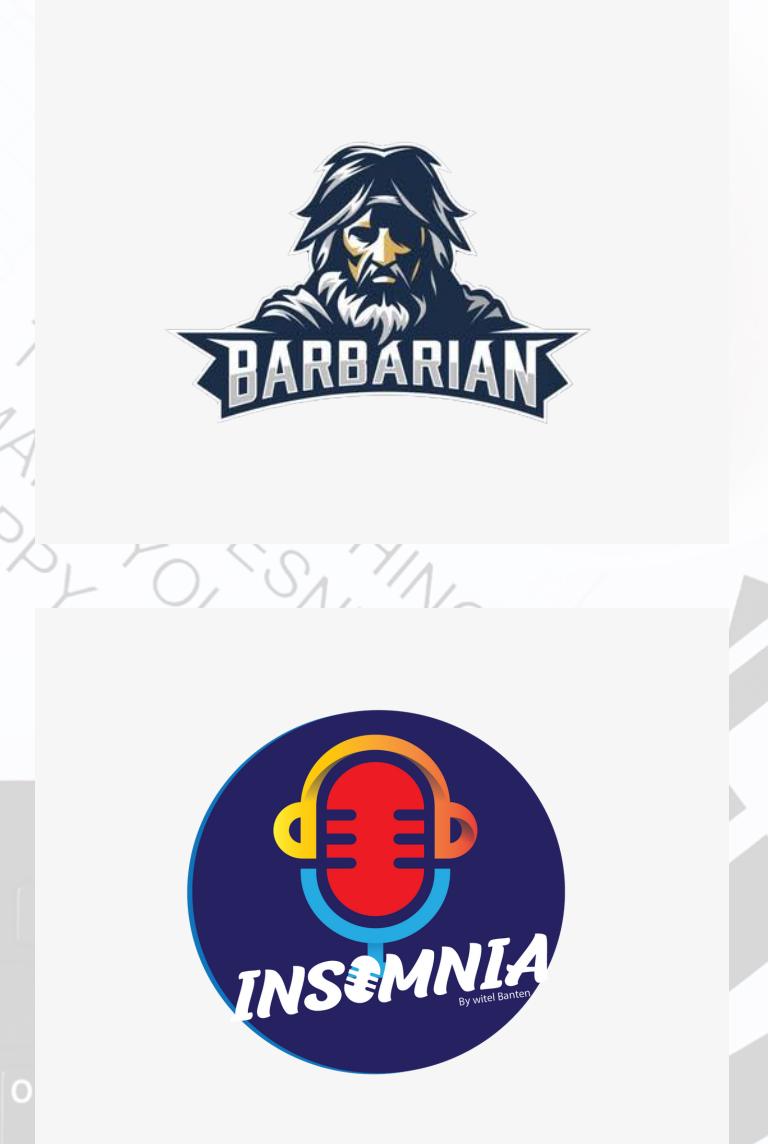

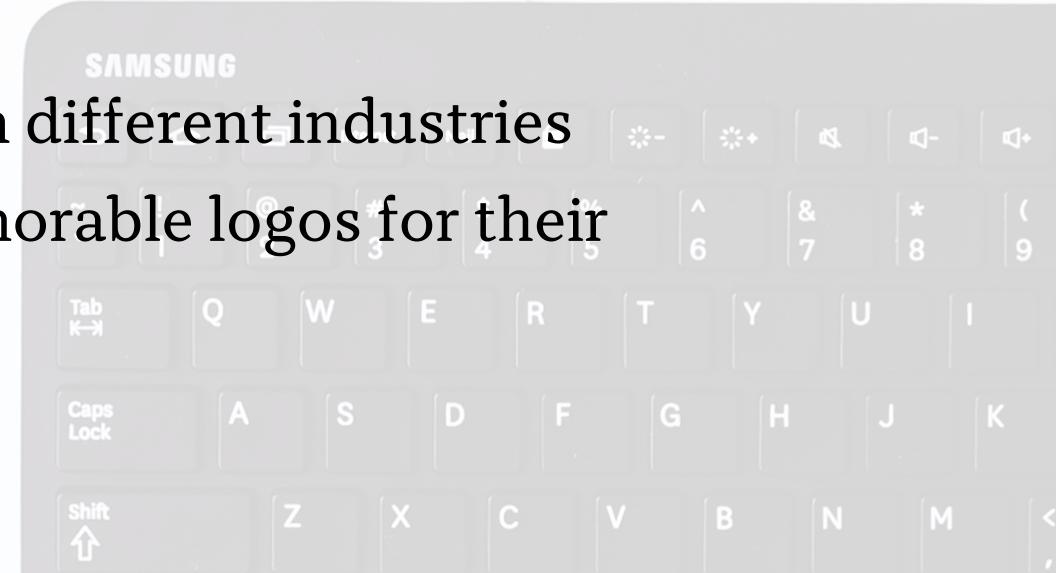

- Jangan lupa pemanasan sebelum mulai
- Diwajibkan memakai sepatu
- Jangan merusak fasilitas
